# MAJOR 1961

# Foreword

In  
days  
gone  
by, men  
of God,  
and men of  
science did  
both look to  
the heavens for  
help. The men  
of science used  
the stars to pre-

dict the future, while men of God looked to heaven for His aid. The  
skies have long been a source of wonderment for man, because  
they are so vast, so ever-changing. We, men of the  
future, have chosen the celestial bodies as  
the theme of our precious yearbook be-  
cause, for us, the brightness of  
the stars represents the  
brightness of our future, and  
the constellations, in their sep-  
arate way, signify our goals and  
hopes. Orion, the Hunter is the symbol  
of our search for success, Hercules of  
our strength, and Ursa Major, of  
our beloved Golden Bear.  
We are the men who may  
conquer the skys.  
And we are ready  
for this.

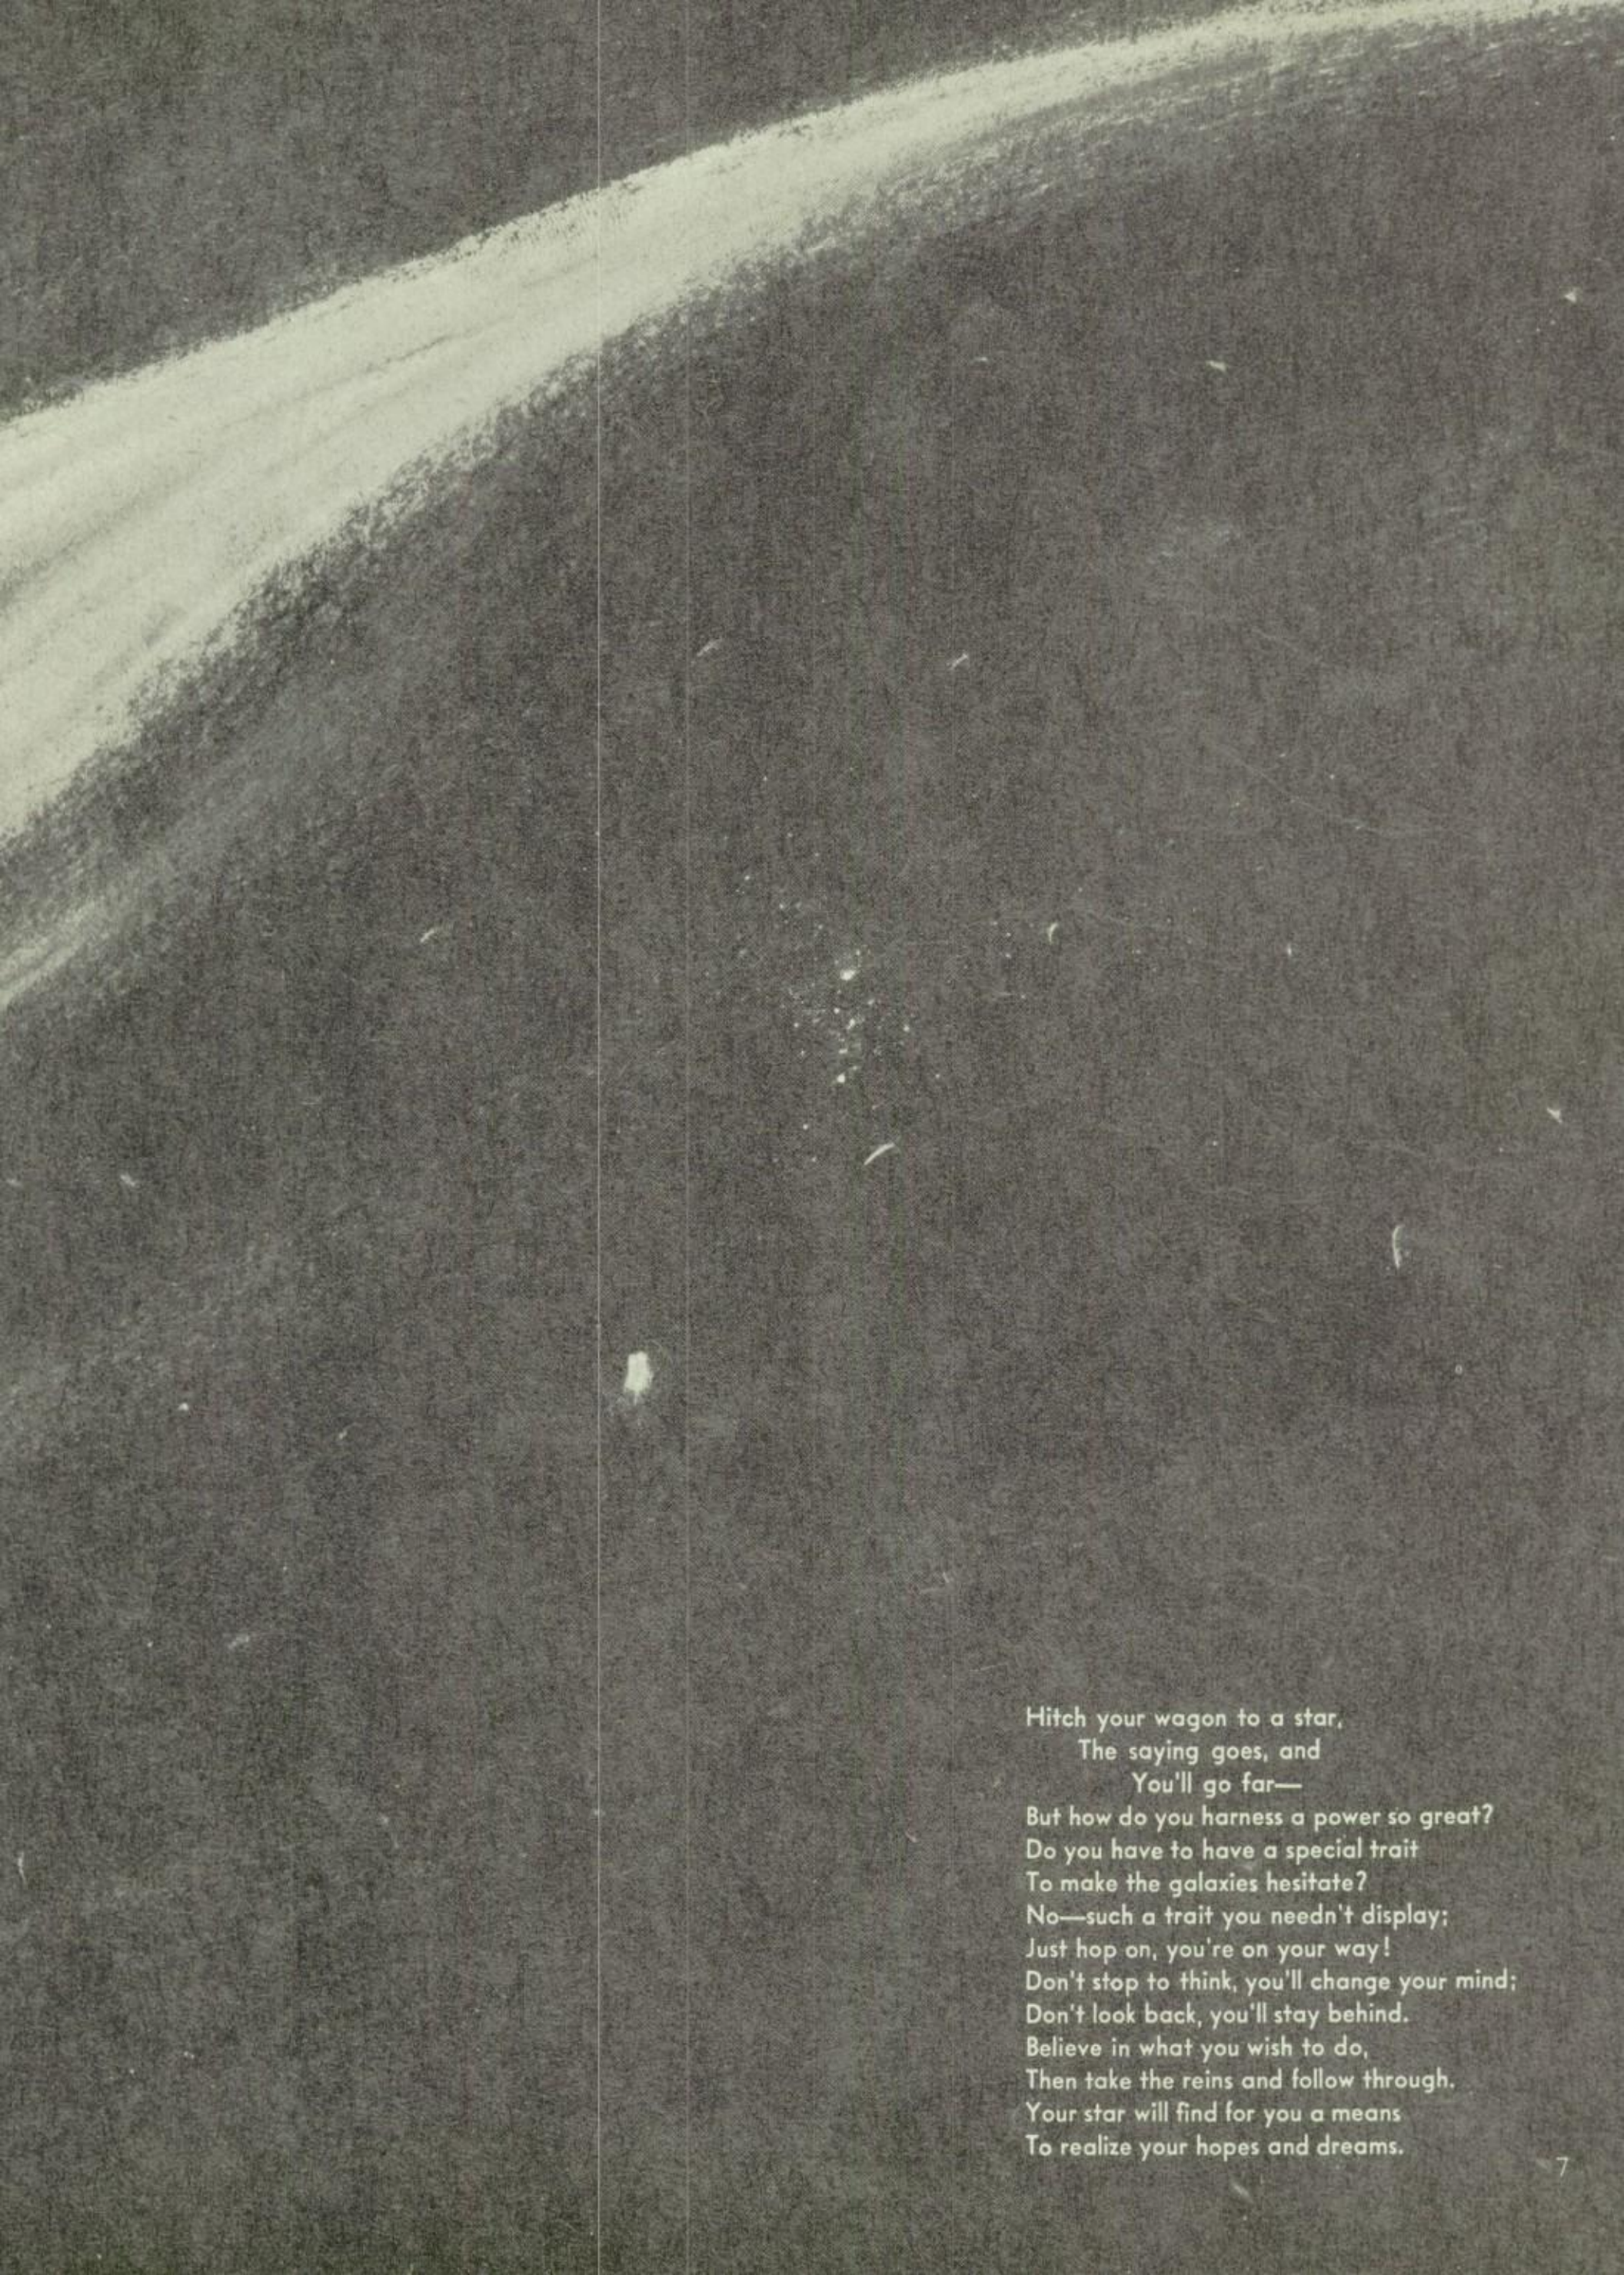

# Hitch Your Wagon to a Star

Hitch your wagon to a star,  
The saying goes, and  
You'll go far—  
But how do you harness a power so great?  
Do you have to have a special trait  
To make the galaxies hesitate?  
No—such a trait you needn't display;  
Just hop on, you're on your way!  
Don't stop to think, you'll change your mind;  
Don't look back, you'll stay behind.  
Believe in what you wish to do,  
Then take the reins and follow through.  
Your star will find for you a means  
To realize your hopes and dreams.

# In Appreciation

It is very fitting and proper that the Senior Class of 1961 should reserve this page as an expression of our appreciation to two of the finest people with whom we have had the opportunity to work.

## **Mrs. Ferrandino**

For three of the most important years of our lives, Mrs. Marilyn Ferrandino has been the guiding light of the Class of 1961. Each year, our class councils and officers have worked closely with her, planning every wonderful event of our sophomore, junior, and senior years. Now, while preparing to leave both our school and our sponsor, we pause to say the "thank you" there never was time for—Thank you for our dances, our prom, our banquet, our smorgasbord . . . for all the wonderful memories gathered at L.H.S. by the graduating class of 1961.

## **Mr. Vincent Paterno**

We all know Mr. Vincent Paterno; many of us have had him as a teacher. But only the Yearbook Staff could know him as an understanding adviser and friend. We of the executive staff have spent countless hours during the past ten months with Mr. Paterno in an effort to produce a Yearbook which would be cherished through future years. Although he often worked under trying conditions, he never threw up his hands in despair. We saw him in many moods—gay, expectant, joyous, serious and occasionally discouraged. With his experience and guiding hand, we have been able to mold the contents of this yearbook. We thank him for his time, his patience, his work, knowing that one page is really not enough to express the full extent of our gratitude.

# Administration

## Mr. Eli A. Kane

Mr. Eli A. Kane, the Superintendent of the Lyndhurst Public School System, has been an inspiration to all; to his staff of teachers, the students, and fellow workers. His institution of sound principles of education has united the schools of Lyndhurst into an efficient and modern system which we are all justifiably proud. His concern for the welfare of L.H.S. students has not gone unnoticed by us.

Mr. Eli A. Kane

## Mr. John C. MacLean

Our principal, Mr. John C. MacLean has always been sincerely concerned with the welfare and esprit de corps of the entire student body. He has shown his guidance and interest not only in the student body as a whole but also in each individual student both academically and socially. Through his leadership and understanding he has helped bring honor to L.H.S. by earnestly working to keep our educational standards as modern and beneficial as possible.

Mr. John C. MacLean

## Mr. Joseph A. Polito

## Mr. Joseph A. Polito

Every student at Lyndhurst High School, at least once during the four years spent here, is influenced either directly or indirectly by Mr. Joseph Polito. He has shown his interest and co-operation to all students not only those who are discipline cases but those others who are serious-minded students. Mr. Polito is respected by all students and has proven himself to be an important and likeable figure at our school.

The personnel of this important part of our school have assisted us in knowing ourselves and our environment and in utilizing the opportunities given to us by our educational system. They have explored our abilities and interests and have evaluated our particular talents.

Our class sponsors, to the best of their abilities, have enabled us to have happy and successful high school careers by helping to solve our problems.

We would like to express our appreciation for the assistance given to us during our four years at Lyndhurst High School. No matter what we may achieve in the future, we will never forget those counselors who have helped us find our goal in life.

# Office Staff

If you have ever forgotten your combination, lost or found something, been late to class or school, worked in or visited any of our offices, then you've probably had reason to appreciate these ladies and the fine job they're doing in helping to keep L.H.S. operating smoothly. Among the first to arrive and last to leave each day, they busily keep track of us, type applications and records, answer telephones, and lend a helping hand to all who seek it.

Miss Edith Neuhauser

Mrs. Sarah Jones

Mrs. Hilda Donald

Mrs. Grace Hickey

## Nurse

Mrs. Mildred Mulheisen

## Cafeteria Helpers

Visit our cafeteria at lunch period, and you will see these faithful, staunch cafeteria helpers withstanding the onslaught of hungry students. We can honestly say that they deserve a medal for bravery above and beyond the call of duty. Since these women have organized our cafeteria, we have seen the introduction of many new and different foods. They have worked diligently in an effort to satisfy the needs of all the students and teachers who eat in our cafeteria. This ordeal does not occur but once a day. These women gather themselves together and prepare to furnish the same service to the second lunch shift. Though they do not spend the entire day in our school, the hours spent here by them are appreciated by all who eat in our cafeteria.

Left to right: Mrs. Patterson, Mrs. Crupi, Mrs. Vendola.

## Custodians

Our custodians, the busy men dressed in gray, have kept our Alma Mater spic 'n span making it a school of which we can be proud. Not only can these gentlemen be found sweeping, dusting, or polishing, but any day of the week they might be found helping some student with a project or problem. Forever smiling, they hang our posters, unlock difficult lockers, and get us necessary equipment for our dances. In this final project, our yearbook, we would like to thank them for all their help.

Kneeling, left to right: Mr. Sal LaVecchia, Mr. Joseph Eulo. Standing: Mr. Thomas Schreckenstein, Mr. Henry Vanderstraat, Mr. Donald LaScola, Mr. Victor Frangipane.

Mrs. Tully

There are few girls—few students—who do not know this smiling lady. Always beaming a warm "hello," never complaining, she has been a wonderful friend and help to us and to our school. For all her diligent efforts and kind words, we'll remember her fondly as a vital part of our alma mater.

## Class History

Could four years have passed since we, as starry-eyed freshmen, entered L.H.S. for the first time? It seems like only a few weeks ago that we shyly met at our first high school affair, our Freshmen Party. The months sped by as we, under the direction of Mrs. MacLean, our sponsor, planned our events. That year we elected our first class officers: Alan Schroeder, president; Mary Ellen Hallisey, vice-president; Dorothy Rubinetti, secretary; and Paul Restaino, treasurer. And, many of us will never forget the fun we had in the old gym at our dance, "Rudy's Rumpus." Yes, Freshman year was fun, and filled with the joys of "being in high school," but all too soon it came to a close.

Sophomore year was the year of The Great Divide. While some of us rose at dawn, others walked home in the moonlight, thanks to the split session. Our class officers, Mike Tirone, president; Steve Cerefice, vice-president; Connie Costa, secretary; and John Servidio, treasurer, worked along with our new sponsor, then Miss Cantasano to unite our class with activities. It was this desire to bring the class together which inspired our Sophomore Class Picnic, held on June 22, 1959 at Fairlawn Beach. Bad weather could not dampen our spirits, as we closed our sophomore year on a happy note.

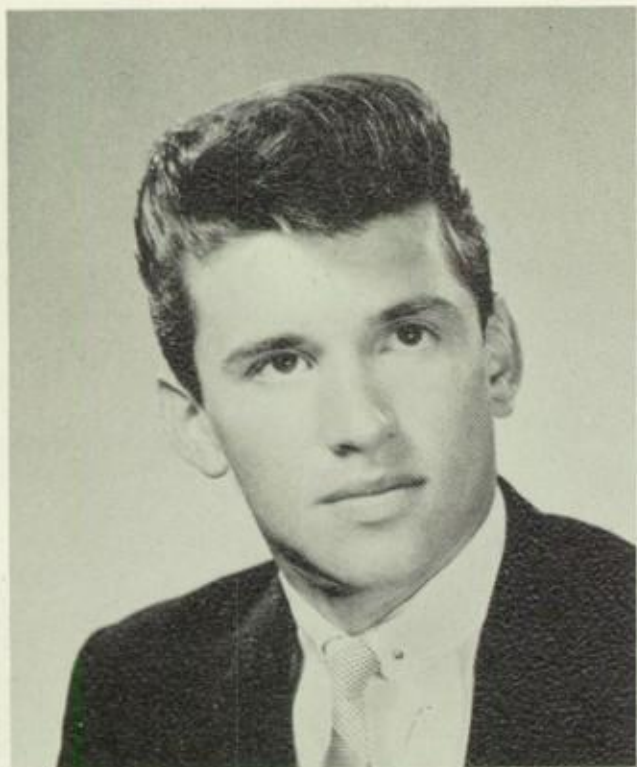

Suddenly we were upperclassmen! As juniors, we elected Mary Ellen Hallisey, president; Alan Schroeder, vice-president; Valerie Robertella, secretary; and Gary Rinaldi, treasurer. The first milestone of that year was the announce-

ment that our rings were ready. Remember how we all raced down to Pollina's. May brought two big events. How proud we were when 21 of our classmates were inducted into the National Honor Society that month. May also brought "La Nuit de Joie," our eagerly awaited prom, which was held May 13th at the Hotel Robert Treat. Most of us will never forget that wonderful night.

But Junior year was soon over, and we wiped the last of the stars out of our eyes to find we were seniors. Our class officers, Dominick Sinopoli, president; Alan Schroeder, vice-president; Judy Fallano, secretary; and Roger Angelo, treasurer, along with our sponsor since sophomore year, Mrs. Ferrandino, worked assiduously to make our last year at L.H.S. the best.

On November 18th and 19th, we proudly presented our Senior Play, "The Happiest Years," which for us were soon to end. We turned our efforts to other things—our future. We tried desperately to "get into college" or "get that job," and the months vanished. All too soon, with damp eyelids, we danced at our Senior Farewell Dance. June came, more quickly than June had ever come before, and at Mazdabrook Farms we held our Senior Banquet, which was followed by our Graduation Day. Sadly, we donned our caps and gowns, and waited to move our tassels from left to right, thus marking the end of the history of the class of 1961, but marking also the beginning of undiscovered horizons.

# Do You Remember When

As Freshmen, we thought the Seniors were so old and sophisticated  
The National Honor Society gave us our Freshman party  
We danced in the old gym  
Our class was divided by the double session  
As Sophomores, we were finally upper-classmen to someone  
We cut up worms in Biology  
There was the cool shade of trees around the school  
The Latin club held a Roman banquet, complete with togas  
Everyone at L.H.S. was doing the "slop"  
We didn't need parking stickers  
The electricity failed and afternoon classes were held in the darkness  
We were so excited about our class rings  
Our Prom was held at the Robert Treat Hotel  
Mary Ellen was both Prom Queen and class president  
Twenty-one members of our class were inducted into the National Honor Society  
We made those fragrant gases in Chem lab.  
We held our Junior picnic  
We didn't have eight new class rooms  
We struggled through the college boards  
We only had one Art teacher a year  
Keith had a sulfuric acid cocktail in room 5  
There was a coed volley ball team  
We attended our last pep assembly  
Our Senior play, "The Happiest Years," was presented to a capacity crowd  
We were allowed to park in front of the school  
Arlene Schumann was a second reel on a tape recorder  
Pat Petrullo couldn't fill her cartridge pen  
Phyllis Costa sold a bag of garbage for \$1.00 at our smorgasbord  
Marcia pleaded "not guilty" to a \$2.00 parking ticket and won  
All the Senior boys had short haircuts  
Tom Pombrekas was "cheep, cheep"  
Perry was elected president of first period Physics class  
Senior boys travelled to Rutherford  
We had the big bomb scare  
Richie Kent serenaded us in Physics class  
There was the big rush for college applications  
The N.H.S. inducted fourteen surprised Seniors in February  
Roger Angelo prayed for an earthquake for his Physics project  
Edna Varela told corny jokes in fifth period English class  
The yearbook staff worked during Easter vacation  
We square danced in gym  
We attended our last dance as students of L.H.S.  
We all had a fabulous time at our Senior banquet  
On June 21, 1961 we became proud and happy graduates of L.H.S.

The main objectives of our Student Council are to help promote interest, personal responsibility, and co-operation of the entire student body. This organization, under the capable sponsorship of Mr. Moris, has been successful in the management of student affairs; and has helped improve our school in both the scholastic and social fields of activity.

Among the accomplishments of this organization are the passing of regulations governing student behavior in our cafeteria, planning the administration and func-

tions of our Pep Club, rendering of services at all school functions, preparing a monthly "activity calendar," establishing a code of ethics for student dress and behavior, and donating money for the benefit of beautifying our school.

You will find that its membership is made up of students who have a keen interest in school activities and management and also have the ability to supervise the proper execution of regulations made by the Student Council or our school administrators.

Students, who are interested in any phase of nursing, medical or dental technology, or any form of work connected with medicine, can find their interest satiated in joining the Future Nurses Club.

Accompanied by Mrs. Muhlheisen, club sponsor, the students have made trips to several hospitals to observe full-fledged nurses in action.

In conjunction with field trips, films are shown in school and guest speakers are invited to address the club. This wide scope of activity gives the fledgling nurses a very good picture of a career in nursing.

## "The King & I"

The Broadway smash hit, "The King and I" was presented on the Lyndhurst High School stage March 23 and March 25, 1961. The musical comedy success, originally adapted from Margaret Landon's "Anna and the King of Siam," was written by Oscar Hammerstein II, with music by Hammerstein and Richard Rodgers.

The story deals with the efforts of the gentle Englishwoman, Anna, to subdue the rampaging King of Siam. Her brave attempts to bulldoze the King into more benevolent behavior provide much of the play's humor. A beautiful love story, involving two persons not free to love one another, provides the play's romantic interest. A magnificent musical score propels the action of the show.

As the play opens, Anna, a school teacher from England hired to instruct the children of the King, arrives with Louis, her young son.

Many are the troubles that await them in Bangkok. Head wife, Lady Thiang, acts as "middle-man" between Anna and the stubborn, hot-tempered King. The King's son, Chululongkorn, is quite confused at the actions of both Anna and the King.

Linda Polase and Jon Waskiewicz portray the young lovers—Tup-Tim and Lun Tha. Their problems are many and their sons are beautiful. Wives, children, and slaves complete the palace scene.

The musical comedy was the first of its kind presented at L. H. S. In charge of production and direction are Miss Linda Krisel, Miss Rosemary Lamb, and Mr. Don Covert.

## Junior

The Hotel Robert Treat, in Newark, was the scene of this memorable extravaganza. The male students emerged as handsome young men who could be definitely classified as examples of young American manhood. Our girls, resplendent in their beautiful gowns, outshone the bright stars of this long-awaited evening.

We will never forget the glorious moment as our Junior Prom formally began when the Joseph Fletcher Orchestra began to play.

Yes, this evening was well worth the anticipation and preparation. As the dancing continued, we realized that we had reached another unforgettable phase of our high school career.

As is usually the case when one is engrossed in pleasant activity, the time swiftly fled by and the moment arrived for our Grand Promenade, and eventually the selection of our Junior Prom Queen.

Mary Ellen Hallisey was selected as Queen and our beautiful picture was complete as she was complemented by her lovely "ladies in waiting."

The music and dancing continued along with our gaiety, but slowly and surely the evening came to an end as sleepy young couples left this "enchanted land" and stepped out into the realistic world knowing full well that they had witnessed a truly unforgettable evening.

Third row: Carmine Tirone, John Gaccione, Russ Bonadonna, Eddie Coletti, John Redner, Joe Pantleone, Neal DeGraaf, Jim Zelinsky, Wayne Pfrimmer, Bob Melaccio, Al Gedrimas, Ralph Festa, Ed Okunak.

The 1960 football season saw Coach Eddie Zak field a team that was lacking in experience but not lacking in courage and desire to play against overwhelming odds. In almost every game our team was outweighed but never actually outplayed.

The football season ended with our record being three games won, one game tied, and five games lost.

The season began with Lyndhurst holding Rutherford to a 7 to 7 tie. The starting line-up for this game was as follows: Bill Bello and Paul Restaino at ends; Phil Lembo and John Servideo as tackles; Frank McSweeney and Steve Colacurcio as guards; Eric Ronson at center; Mike Tirone at quarterback; Mike Zelinsky and Frank DiPasquale as halfbacks; John LaFaso at fullback.

As the season progressed, position assignments were changed resulting in almost all the players on the squad getting into the games. The spirit and fight of our team were never questioned by the spectators or the student body, and it is certain that this same courage and spirit will lead our boys on to success in their future fields.

The 1960-61 five, has a record which doesn't tell the whole story. Several close losses and some tough breaks helped to give the team a 6-11 record. But this was not a squad to be ashamed of. It was a hard working team, which played some mighty fine ball. Their upset of Paterson Eastside, in a 65-61 thriller, by far outshone earlier disappointments. A four game winning streak in February seemed to be the inspiration the boys needed, but then two close ones ended the season and our hopes of a winning team. Although this was not a championship team, it was a true Lyndhurst team—Spirited, hard-working, and above all, good sportsmen.

From all indications, these boys should give Mr. Harold Brown, Varsity basketball coach, many happy moments next year.

The freshman basketball team, coached by Mr. Frank Ruggiero, enjoyed a highly successful season; winning nine games while only losing three.

John Guise was the leading scorer, followed closely by Frank Ruggiero and Pete Falco. There are several outstanding prospects for next year's varsity team, who can help to make next season a successful one.

Team play, aggressiveness, alertness, and over-all desire are some of the attributes which went into the making of this fine organization.

Always on the scene at all our sporting events, are a group of highly spirited cheerleaders. Many hours, bruises, sore-throats, and colds add to a cheerleaders life. But most important in her life is the pep and enthusiasm she brings to the team and spectators. We are positive that without these girls the school spirit at L. H. S. would be severely handicapped.

## Track

As this yearbook goes to press, our track team has participated in one track meet to start the 1961 season. That meet was with North Arlington High School and our men gave a good demonstration both in the running events and in the field events.

Under the able tutelage of Coach Joe Cippola, this team should enjoy a highly successful season. Co-Captains Keith Willoughby and Gary Rinaldi are both veteran trackmen, and with the assistance of outstanding men such as Dom Sinopoli, Rich Picardo, and Mike Tirone will garner many victories for Lyndhurst High School.

## Faculty vs. Varsity

Fit as a fiddle, faculty members met the hale and hardy Varsity Basketball men with the usual display of pep, vim and vigor. The faculty members wearing "out of the world costumes," tried to show that they were in perfect condition for this grueling test of strength (they did a fine job, too!). Our Varsity men stood well under the strain.

No one knew the correct score, for the score board was being "fouled." No matter what the final score, this game always brings chuckles to those who are on the sidelines as well as those who are playing.

Mr. Sandler, as usual, emerged as star of this game.

If it were not for our fine women gym teachers, Mrs. Elaine Savino and Miss Rosemary Lamb, there would be no girl's intramurals. Through their untiring efforts and extra hours of labor, a successful sports program is planned and executed for all.

These extra-curricular sports activities are essential for building one's sportmanship qualities. They help us to work and play with other athletic-minded girls. And let us not forget the good clean fun these programs offer.

Included in the yearly schedule are such activities as volleyball, basketball and table tennis. Volleyball begins as soon as the school year opens. This event was held every Tuesday at 3:10 until two teams became victorious. The Junior-Senior team of Fran Benedetto captured the upperclassmen title. Chris DeMassi's team of Freshman-Sophomore copped the underclassmen title.

Following these pay-offs, interclass teams were chosen from the best of the players. Winner of the four class volleyball was the Junior Team captained by Ellen Hannagan.

As soon as volleyball was completed, basketball was on the scene sparking the enthusiasm of the girls. Teams met again on Tuesday to battle their way to the championship. Dot Rubinetti's Junior-Senior team came out on top for the upperclassmen, while Joyce Russo's Freshman-Sophomore team did the same in the underclassmen division.

Basketball interclass games were the high point of the year. The Seniors, with Fran Benedetto as captain, were victorious as they emerged the winners of the interclass series.

The remainder of the year, consisted of foul shooting, table tennis, and softball games.

This entire program of girl's sports is sponsored by the Girls' Leaders Club and Leaders Aide under the direction of Mrs. Elaine Savino. Members of the club give their time and effort in managing, scoring, refereeing, and timing. This club sets very high standards for girls. Passing grades must be maintained in all subjects, and a sportmanship-like attitude must be displayed. This club builds leaders for the future. Members of the Girls' Leaders and Leaders Aide serve the school in other capacities.
